The screenshot shows a GitHub pull request interface. At the top, the title is "200 on PreregistryAddService the call will be successfull #4" with an "Edit" button. Below the title, a status bar indicates "Merged" by barrault01, showing 1 commit merged into the master branch from the feature branch "features/adding_success_on_pregistry_Add" on September 20. A summary bar shows 0 conversations, 1 commit, 1 check, and 2 files changed, with a net change of +7 lines and -2 deletions.

The main content area shows a comment by barrault01 from September 20, stating "No description provided." Below the comment is a commit diff for the file "if 200 on PreregistryAddService the call will be successfull", showing a single line change with a green checkmark and commit hash 72ad2c5. Below the diff, a merge summary states "barrault01 merged commit c7b59d9 into master on 20 Sep" with "1 check passed" and buttons for "View details" and "Revert".

At the bottom, there is a "Write" comment box with a rich text editor toolbar (bold, italic, quote, code, link, list, etc.) and a "Comment" button. The box contains the placeholder text "Leave a comment" and a note about attaching files.

On the right side, there are several metadata sections: "Reviewers" (No reviews), "Assignees" (No one—assign yourself), "Labels" (None yet), "Projects" (None yet), "Milestone" (No milestone), and "Notifications" (Customize, Unsubscribe button). A note at the bottom right states "You're receiving notifications because you're watching this repository." and "1 participant".
